Parent and Spectator Code of Conduct

In golf, customs of etiquette and decorum are just as important as rules governing play. It is appropriate for parents and spectators to applaud successful strokes, but in order to secure the spirit of the game, we ask parents and spectators to please adhere to the following guidelines. Please note that if any of the following guidelines are perceived as broken by a Rules Official, the player may be subject to penalty.

- Advice (Rule 10) is any counsel or suggestion which could influence a player in determining his play, the choice of a club or the method of making a stroke. In addition, any conversation between player/spectator may be construed as advice. This includes any conversation between player/spectator in their native language. In either instance, penalty for breach of this rule is two strokes. Players are responsible for the actions of their relatives and spectators in regards to this rule.
- Keeping the above statement in mind, please keep your conversation with the player to words of encouragement as long as advice is not given.
- Spectators attend Optimist Golf events at their own risk.
- Please turn off all cell phones while on the course.
- Spectator carts are not allowed at the Championship. Other Optimist Tournaments is based on availability for a fee.
- Spectators should stay on cart paths. In the absence of cart paths, we ask that spectators stay in the rough. Please stay off fairways, tees and greens.
- Spectators should stay one shot ahead of the group they are following. This allows spectators to follow errant shots and help identify where the ball comes to rest. Spectators are allowed to aid in the search for lost golf balls.
- **Spectators** should not give rulings. Please seek a rules official if the need arises.
- **Spectators** are allowed to carry medicine, drinks, food, umbrellas, etc.

- The Rules Official may assess a penalty to the player based on the severity of the spectator violation. If a serious breach has occurred, the spectator may be asked to leave the facility.
- For your personal safety, we ask you exercise caution at all times. When inclement weather moves into the area, play will be suspended by sounding airhorns. Accordingly, you should seek shelter immediately. The staff will evacuate players from the course first and then spectators.
